handles

A collection of modern, minimalist door handles and pullers in various finishes (black, gold, silver) and shapes, displayed on a white background with a marble texture at the bottom. The handles include long horizontal bars, curved pulls, and small square or rectangular pushers. Some are shown in combination with door panels or frames. The overall aesthetic is clean and contemporary.

Presentiamo la nostra ultima collezione di accessori minimaliste e orientate al design, perfetti per aggiungere un tocco di stile alle porte in vetro e legno. La nostra collezione presenta design elegante e moderno, si adatta a qualsiasi arredamento domestico, pur fornendo una funzionalità affidabile. Disponibili in una varietà di finiture per soddisfare qualsiasi gusto.

Introducing our latest collection of minimalist and design-focused door handles, perfect for adding a touch of style to your glass and wood doors. Our collection features sleek and modern designs that complement any home décor while still providing reliable functionality. Elevate your door's appearance with our carefully crafted handles, available in a variety of finishes to match your unique taste.
